Oral ExParte Presentation

Dear Ms. Dortch

On Friday, March 14, 2003, Albert Halprin of the law firm Halprin Temple, representing SMART Communications, Inc. ("SMART"), discussed by telephone the above-referenced proceeding with Lisa Choi of the International Bureau. Mr. Halprin expressed SMART's belief that this matter will not be resolved under the terms of the FCC's March 10, 2003, order in the proceeding. He urged the Bureau to be flexible in developing approaches to restore full service on the U.S.-Philippines route.

In accordance with Section 1.1206(b) of the Commission's Rules, please accept this original and one copy for submission. Should you have any questions or concerns in connection with this submission, please contact me at (202) 371-9100.
